

Special detergent

F420 e

Liquid, ecological, alkaline detergent

AREA OF APPLICATION:

- Suitable for use in commercial warewashers.
- Suitable for dishes made of glass, porcelain, plastic, stainless steel as well as cutlery.
- Removes drinks stains of all kinds as well as lightly dried-on food, coffee and tea stains effectively.
- Removes lipstick and other greasy residues effectively.
- Not suitable for decorated drinking glasses and aluminium.
- Specially designed for use in hard water areas.

For perfect cleaning results, the product is recommended for use in the Winterhalter System in combination with the corresponding warewasher, rinse aid and water treatment.

DOSAGE:

With automatic equipment, depending on the degree of soiling and the water quality.

At the new UC the basic dosing adjustment can be set for a concerted dosing very easy at the chemical database. This detergent belongs to the detergent group DT08.

To get a perfect cleaning result, the detergent dosing should be set by the Winterhalter customer service. Having the detergent dosing set on-site by Winterhalter customer service assures perfect cleaning results.

Water quality	Dosage in ml/l	°dH	[µS/cm]	ppm CaCO ₃
